Sir,

Subject -

Revision of scales of certain
establishments at Hoskote
Municipality

I have the honor to forward herewith a consolidated proposition statement for the revision of certain establishments at Hoskote Minor Municipality and to request that sanction of Government may be kindly obtained to the proposals contained therein

2 Regarding the octroi establishment the sanctioned scale as per G O No L 5318/M 67-17-19 dated 26-3-1918 is 2 Octroi Peons on Rs 9/- each per mensem. As this staff was not sufficient to look after the collection of octroi of a growing Town, like Hoskote, temporary reorganisation of the establishment was made by the Amildar-President of the Municipality during the year 39-40 as noted in the margin. This staff is being

- 1 Octroi Kolkar on Rs. 15/- continued on the strength
- 2 Octroi Daffedar on Rs 12/-
- 1 Octroi Peon on Rs 10/- of budget provision. The

Municipal Council have resolved at their meeting held on 30th July 1942 that the reorganised establishment be made permanent. The next increase of expenditure under this head will be Rs 19/- per mensem or Rs 228/- per year. This, I think may be admitted, as there has been steady increase under the octroi income of the Municipality year after year as shown in the margin. Hence the proposals of the Municipal Council may be approved

1935-36	1259-11-11
1936-37	1236-6-10
1937-38	1289-5-5
1938-39	1400-4-8
1939-40	1622-11-3
1940-41	1515-6-8
1941-42	1600-8-0
1942-43	1575-8-0 Up to 1-6-43

The Mohatarfa Establishment consists of a single Bill Collector on Rs 15/- per mensem as per scale sanctioned in G O No. L 9155-56/M1 15-35-29 dated 4-6-36. It is reported that the present Bill Collector has improved the collection to a great extent as the percentage which was only 34 during the year 35-36 has risen to 66 during 38-39. He had been transferred to Kankanhally Town Municipality on promotion of Rs 20/- per mensem in the year 38-39. The Hoskote Municipal Council did not want to lose the services of a capable Bill Collector. They therefore resolved at their meeting held on 10-7-39 that the Bill Collector's pay be raised to Rs 20/- per mensem so that he might be retained there alone. From the year 39-40 onwards the pay of the Bill Collector is being drawn at Rs 20/- per mensem on the strength of budget provision. As this was not regular, the Municipal Council resolved at their meeting held on 10-7-39 that sanction of Government be obtained for fixing the pay of their Bill Collector at Rs 20/- per mensem in view of the steady increase under Mohatarfa. The demand under this head which was only Rs 4492/- during 35-36 has risen to Rs 7259/- during 38-39 and will still rise consequent on the revision which is in progress. Hence the proposals of the Municipal Council may be accepted.

The toll-gates were being worked by contract previously. As per Official Memorandum No. L 6761-M1 131-39-3 dated 1-2-40 of Government, the Municipal Council resolved to work the gates departmentally from the year 1940-41. Accordingly 5 toll-gate peons on Rs 8/- per mensem each were employed by the Amildar-President of the Municipality. Sanction of Government has not been obtained to this special establishment which is being continued up to date on the strength of budget provision. The Council have resolved at their meeting held on 30-6-39 that this special establishment be continued for 3 years more. As no proper bids are secured in contract, the Municipal Council proposes to work the gates departmentally for a further period of 3 years. Hence the toll establishment of 5 peons may be sanctioned up to the end of 1945-46.

5

The last establishment requiring sanction is that of an additional scavenger on Rs 9/- . The sanctioned scale as per G O No. 5335/M1 1417-18 dated 21-3-1918 is one scavenger on Rs 11/- per mensem. It is reported that for a big town like Hoskote with a

a population of more than 6000 it was found necessary to have an additional scavenger on Rs 9/- per mensem Hence an additional hand was entertained from 1-2-41 on the strength of budget provision This is being continued with interest of sanitation and health of the Town The Local Officers report that the post of additional scavenger be made permanent Haskote is going to be shortly converted into a Town Municipality There is ~~no~~ need for an extra scavenger for the place Hence the resolution of the Municipal Council may kindly be approved

6 The net increase resulting from the revision of the above four items will be Rs 128/- per mensem or Rs 1536/- per year as detailed in the margin inclusive of toll-gates The Municipal

Octroi Establishment	19/- P M	Council can afford
